

what is weekend wardrobe?

Weekend Wardrobe is the solution to the age old problem of having nothing to wear. After creating an account on our app you are easily able to swap clothes with girls in the area surrounding your college for short amounts of time!

benefits?

Join the fight against fast fashion as you choose to say reuse others clothes instead buying new!

Enjoy saving money by using your current clothes as currency for new outfits!

list

First things first. Pick out the outfit you wore last weekend- one that's cute, trendy, and fun, but you're not ready to re-wear just yet. Upload pictures of this to the app and start looking at what other people have listed.

exchange

After the app matches you with someone to trade you will be assigned a local meet up spot to exchange! You will do the same thing at the end of the weekend to trade back!

Local Exchange Spots Include:

- Spots on Campus
- Local Restaurants
- Well Known Landmarks

wear

Take on the world with the confidence that can only be found in a new outfit! Enjoy a weekend filled with new outfits and feel great about saving money and the environment at the same time!
